Dear Chris Latson,

Thank you for submitting an audition tape for Season 10 of *The Real World* and *Road Rules 10*. Deciding amongst the thousands of amazing applicants who apply for our show is incredibly difficult. Unfortunately, we cannot offer you a place on either of our casts at this time.

After 10 years of casting, this year has been one of the more challenging. Due to the increased popularity of our shows over the seasons, the number of applicants continues to increase. Each casting director dedicates the same amount of time and attention to each and every candidate. We view each applicant's tape with an open mind. In doing so, we have the rare opportunity to catch a glimpse into the lives of our applicants. We thank you for that.

We hope you understand that our decision does not reflect how we feel about you personally or what you conveyed to us. You were yourself, which is exactly what we asked. We are honored that you shared your story with us.

Best of luck!

Sincerely,

Mary-Ellis Bunim
